Highlight or circle your answer (1 or more) for each of the questions.

1. I know something about the communication device or system(s).				
None (it's new to me)	Limited (just a little)	Some (I've tried it)	Lots (it's familiar)	
2. I am/was involved in assessing/choosing the communication device or system(s).				
Not involved	Partially involved	Definitely involved		
3. My level of competence in supporting my users equipment & materials is:				
Very limited	Limited (some training)	Adequate (but I need/want more)	Sufficient (OK for now)	Extensive
4. I am interested in receiving follow-up consultation / training.				
None at this time	Training in use of the device/system	Teaching &/or practice materials	Support with how to use all the systems together	Support implementing device & systems into daily activities
5. I am interested in learning more about the communication device or system(s) in the following way(s):				
During instructional time ("just show me")	Brief group meetings (home/school/program)	Training materials (webinar, manuals)	2-3 hr trainings or more	
6. The following are "partner strategies" I use to communicate with my user:				
I give visual & verbal prompts to elicit communication	I mostly rely on choices & yes/no questions	I interact by modeling w/ the communication system(s)	I plan activities using specific vocabulary to create opportunities	I pause or wait but rely on the user to communicate independently
7. I am interested in learning how to be a better communication partner with my user.				
Not interested	Somewhat interested	Definitely interested		
8. I see my role as a support person for communication to be valuable.				
Rarely (not my role)	Sometimes	Much of the time	Most of the time	
9. The biggest hurdle(s) to being a good communication partner is:				
Not enough time	Strategies aren't working well	Don't understand how to partner well	Need more training & support	
10. The communication between team members right now is:				
Not clear or frequent enough	Adequate	Interferes with my other duties		
Some other interests or concerns that I think need attention:
